

# TOO MANY CHILDREN ARE STARTING SCHOOL ALREADY BEHIND – YOU CAN CHANGE THAT.

The Flourishing Child sub-project is creating and testing a simple **Flourishing Check** to understand how children are tracking, and a **Pathway Tool** to help families easily find local programs and support.

## What's involved?

- We're inviting 600 parents and carers of children aged 0 – 5 years old

- Complete a few online questionnaires over several months (1.5 to 2.5 hours total)

- Receive \$20 - \$40 e-gift cards as a thank you for your time

- Get early access to the Pathway Tool to discover supports near you
